Headline:
Dry and bright in east, rain later in west Sunday.

This Evening and Tonight:
Mainly dry with the best of the cloud breaks in the east. Low cloud could be extensive at times with patchy light rain and drizzle over the Southern Uplands and perhaps some rain for the west coasts too. Breezy. Minimum temperature 12 deg C (54 deg F).

Sunday:
Another warm day in the east with bright and sunny spells. It will be windy and any low cloud will take a time to clear. Rain arriving in west later. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Heavy rain soon clearing into the North Sea on Monday. Then bright with scattered showers, although more persistent rain possible on Wednesday.
